## SMACK

### The Album: Volume 1

#### DVD + CD

The **SMACK** quarterly DVD-magazine is the bible of the hip-hop world. With exclusive interviews, concert footage, car shows, freestyles and exclusive live battles included in every edition, the **SMACK** crew has built a huge audience since its debut in 2002 as the first DVD Magazine of its kind. Since then, they have sold over 750,000 units with NO RETAIL SUPPORT – KOCH Records is ready to bring you the very first volume of this street phenomenon.

#### SELLING POINTS & MARKETING:

- The album cover will feature platinum-selling rappers Young Jeezy and Bun B!
- DVD content will feature live street performance videos of tracks from the album shot exclusively for SMACK. Also includes controversial and insightful interview footage - everything the streets want to know about their favorite artists in hip hop! DVD will also include exclusive MC battle footage for some of the most talked about street rappers in the game.
